“Food System Outcomes: An Overview and the Contribution to Food Systems Transformation” published in the scientific journal ‘Frontiers in Sustainable Food Systems’, Vol. 4 on September 24, 2020 (doi: 10.3389/fsufs.2020.546167)

A systematic literature review on food system outcomes was conducted by the author of the present dissertation, Mrs. Lilliana Stefanovic, under the supervision of her first supervisor of that time, late Prof. Dr. Johannes Kahl. Mrs. Stefanovic wrote the manuscript “Food System Outcomes: An Overview and the Contribution to Food Systems Transformation”, and the second supervisor of the dissertation at hand, Prof. Dr. Barbara Freytag-Leyer revised the first draft of the manuscript as well as its edited versions. All authors reviewed the final work and approved the submitted version.
